

Product Sheet

TECHNICAL INFORMATION

MALTA 2.0kW

GREENHOUSE HEATER

- **Instant Heating:** Innovative technology delivers warmth in seconds with 30% improved efficiency.
- **Powerful Airflow:** Nearly 100% increased airspeed ensures even heat distribution throughout the greenhouse.
- **Durable Design:** Robust stainless steel heating elements provide reliable, long-lasting performance.

Technical-Information:

SKU	MAL 2.0	Power Cord Exposed Length	1,3 m
Rated Voltage (V):	AC 220-240 V	Cold Air Gear	35 W
Rated Current (A):	8.3~9.1 A	Waterproof Rating	IP24
Power Cord Specification:	250V 16A H05RN-F 3G1.0 mm ² * total 1.6m/Black	Adjustable Temperature Control Off Motor Status	Stop
Gear:	2 Gears	Tilt Angle	25 °
Over-Temperature Protection:	✓	Type	Bimetal/Snap Action
Tilt:	✓	Action Temperature	85 °C
Adjustable Temperature Control:	✓	Type	Bimetal/Snap Action
Self-Reset Temperature Control:	✓	Action Temperature	60 °C
Outlet Specification:	Φ 175 mm	Outlet Maximum Temperature	130 °C
Outlet Air Speed:	2,8 m/s	Maximum Air Volume	242 m ³ /h
Heating Area:	20 m ²	Operating Environment Temperature (°C)	-15 ~ 25 °C
Single Unit Packaging:	✓	A Level Sound Level	56 dB
Drop satus:	With Drop Test	Product Outer Dimensions	240 x 196 x 294 mm
40HQ	3106	Product Packaging Dimensions	280 x 235 x 340 mm
Model	BGP3003-20	Product Net Weight	2,7 kg
Product Technical Status	2024 Edition	Product Gross Weight (Pulp)	3.4 kg
Mechanical Type	✓	40GP	2672
Rated Frequency	50 Hz	20GP	1280
Rated Power	2 kW	Certification	GS/CE/LVD/EMC/RoHS
Motor Power	35 W
